Dedication

Miss Lucille Evans

In remembrance of immeasurable services rendered with little recognition, as a tribute to her personally high ideals, to recognize her matchless influence on her students, and to thank her for the many things she has taught us both as students and future citizens—we, of the 1949 Annual Staff, find pleasure in dedicating our yearbook to our beloved Miss Lucille Evans.

Will and Testament

We the Senior Class of Knoxville High School on this eighth day of June, in the year 1949, in the presence of witnesses, and in full possession of a sound mind (?) do solemnly declare this to be our last will and testament.

Clause I

We the Senior Class of K. H. S. do bequeath the fire-engine red hair of Miss Alberta Coen to future generations for the purpose of heating the building(?) when other flames are tempered.

Clause II

With sincere wishes, we leave the chance to escape Mr. Love to anyone who has nerve enough to try it (and who doesn't easily fall in).

Clause III

To future scholars, we leave our words of wisdom and pictures on desktops, blackboards, and in the halls.

Clause IV

Swelling with pride, we give the Juniors permission to follow in our footsteps—over the goal line—for a great victory over the Bobcats.

Clause V

We the Senior Class of '49, do without a blushing degree of modesty, leave to the faculty the liberty to use any knowledge gained from us.

Clause VI

To all Juniors who haven't the stamina to go crazy alone, we leave Coach Sharpe's "Iron Man" with the fact that it has contributed to our handsome features.

Clause VII

To all unsuspecting freshmen, we leave the experience of falling down the lunchroom stairs and of a glorious elevator ride to the fifth floor.

Clause VIII

Upon Mr. Montgomery, (with deepest sympathy) we bestow the '49 Annual dummy, in hope that future seniors will inherit some of our journalistic ability.

Clause IX

We leave the opportunity to repent to any sinners who are riding Mr. Jobe's "Amen Bench."

SENIOR CLASS '49

We, the undersigned, set our hand and seal in witness hereof.

"YOUR HERITAGE"

You will soon join a host of people; more than 15,000 men and women, who are graduates from this high school. You have spent three of the best years of your life in these halls of learning. Every degree and variety of success is found among your classmates.

You now will possess a key (the diploma) which will help you enter many avenues of activity. After you enter, you will be "on your own." The sum total of your home life, your church and school life, your associations, your recreations will motivate your ambitions and your efforts to succeed. A healthy body, a clear mind and a clean heart will carry you forward when disappointment and trouble oppose you on your life journey.

Always keep in mind that you are not alone in life. Your immediate family, your close friends, your church groups, your neighbors, all want you to "be good" and "make good." Remember you will always take pride in saying that you are a graduate from Knoxville High School (K. H. S.), but the statement will have much more worth, if your thousands of Alumni comrades can answer, yes, he is living up to the ideals of that great institution and adding honor to the vast hosts who entered her doors; we are indeed proud of him.

Education is a life job. You are ready for a "Graduation" into life work or more formal education; at "Commencement Exercises" you will receive a Diploma, the key to opportunity in the fairest land in the world. Life then offers many roads leading out in every direction. You need but to read the papers or listen to the radio to learn daily how many miserably lose their way. There is a "straight way that leads to everlasting life and few there be that find it." May our **many** high school graduates be among the **few** who find it.

W. E. Evans

United States Reserve Officers Training Corps

The R. O. T. C. Cadet Corps was organized in the Knoxville Public Schools the first of the school year of 1919 by Major M. Estes, Professor of Military Science and Tactics, and Major Dyer, Assistant Professor of Military Science and Tactics. Commanding officers since have been: Major Harry V. Stephenson, Col. R. R. Wood, Major E. C. Seeds, Lt. Col. John Moore, Capt. Keller Smith, Major Robert V. Vaupel, Col. Newman R. Burns, and Major James H. Cook, the present Professor of Military Science and Tactics.

In the three-year course in high school R. O. T. C., the cadet receives instruction in many fields. These include: Close order drill, tactics of war, military courtesy, health, discipline, and organization. Furthermore, the R. O. T. C. strives to instill in each cadet the soldierly virtues of team work, self-control, and leadership.

The object of the course of instruction in the R. O. T. C. is primarily to lay the foundation of intelligent citizenship by inculcating in the student habits of precision, orderliness, courtesy, correctness of posture and deportment, leadership, and respect for, and loyalty to, constituted authority; secondly, to prepare the student for further military instruction which will qualify him for a position of leadership in time of National Emergency.

The rifle marksmanship course gives all cadets an opportunity to develop proficiency in trigger squeeze, position, and slight alignment in rifle fire. Those who demonstrate unusual ability make up the Knoxville High School rifle team. The thoroughness and effectiveness of this training is proved by the fine record of the team this year. It has won in several matches with neighboring schools and organizations.

This year the battalion, which comprises four commands, a staff, and a band, participated in the Armistice Day Parade and will give a formal review in May.

The big event of the year is the annual Competitive Drill, in which the best drilled company is awarded the Prize Company Flag by the American Legion. On this day the finals for the Morgan Medal and the Stone Medal are held, the former being awarded to the best-drilled second year cadet and the latter to the outstanding first year cadet. Also the Band Medal is given to that band member who receives the highest rating in the school of the soldier, military bearing and care of the instrument and uniform. To the best-drilled Honorary Cadet Officer the Daughters of the American Revolution awards the Sponsor's Medal, and to the best drilled cadet in each company goes the News-Sentinel Medal.

RAY BYRD

RAY'S TERRIFIC RUNNING SAVED MANY GAMES FOR US THIS SEASON. HE HIT HIS HIGH-WATER MARK IN THE CHATTANOOGA CENTRAL GAME WHERE HE PUT ON A TERRIFIC DISPLAY OF RUNNING. RAY WAS CHOSEN AS CAPTAIN OF NEXT YEAR'S TEAM.

BILL COX

Bill was one of the few men who had experience in the line, he spent a lot of his time in the opposition's backfield and when he was there they knew it. He ended his high school career with a stellar performance against Central.

BOB ROBBINS

Bob was a tower of strength in one of the inside posts. His fine playing was one of the reasons for the season's success. Bob will be back dishing it out again next year.

LEFT TO RIGHT: Bill Cox, Bob Robbins, Brady Brown, John Hall

LEFT TO RIGHT: J. T. Weathers, Henry Heinz, Bobby Fry, Curtis Brown

HENRY HEINZ

Hank was one of Coach Jones' surprise packages of the year. He was very able both on offense and made it a habit to get down under punt very fast. He will be back next year. Hank is alternate captain on next year's squad.

LEFT TO RIGHT: John Creech, Bobby Green.

JOHN CREECH

Honest John is one of the finest line backers to play for KHS in several years. He played spirited ball all during the season. He has cast his lot with our own Tennessee Vols.

BILL LINEBAUGH

Linebaugh was the unsung hero in the Trojan line. He played more ball than any other member of the team and played forty-eight minutes in all but two games.

J. T. WEATHERS

J. T. after a slow start finally found himself in the Central game. He played a whale of a defensive game and didn't let his end be turned all afternoon. J. T. was a senior this year and leaves for the college races.

LEFT TO RIGHT: Bill Lovell, Jack Dance, Bill Linebaugh, Bill Lister

WATT JENNINGS, BUDDY COOK

JIM AYCOCK, HUBERT ASHE

BILL BLACKSTOCK

BILL BLACKSTOCK

"Bye Bye" was the only tripple threat back in the Knox area this year. Only a junior, he will be back again next year cavorting for the Trojans. Bill is equally good at kicking, running or passing. He led the team in scoring this year with 67 points.

WATT JENNINGS

Watt was a surprise package of coach Jones. He came up from second string in midseason and held down his position in fine style. Jennings will be back next year holding down the number two backfield position.

HUBERT ASHE

Hubert made room for himself on the first team by his hard work. He has that knack of picking his own holes instinctively that is so important in a good backfield player. Hubert made it a habit of snagging all the passes that came his way.

FIRST ROW: Ralph Martin, Pete Monroe, J. T. Weathers, Bill Linebaugh, Bill Cox, John Creech, Bob Robbins, Jack Dance, Henry Heinz, John Jones, Ross Bagwell, Harold Johnson, Edwin Taylor.

Resume

Coach Sam Jones' 1948 edition of the Trojan football squad won eight games, lost two, and tied one. Bill Blackstock, tailback, led the scoring with 67 points. He was followed by Ray Byrd with 60 points and Tom McAffry with 49. The Trojans scored 200 points to their opponents' 91.

The Trojans opened the season with a 19-6 victory over Middlesboro. Bill Blackstock, Ray Byrd, and Bob Neff each made one touchdown a piece, and Tom McAffry added the extra point.

Ray Byrd and "Bye Bye" Blackstock again led the Blues to a 21-0 victory over Elizabethton. Tom McAffry made the extra points.

Troy journeyed to Johnson City where they took an early lead and coasted to a 26-0 win. Blackstock scored twice, McAffry once, and Byrd once.

Miami High came to the Smoky city and considered themselves lucky to leave with a 6-6 tie. Hubert Ashe scored the lone Trojan tally. It was the first of five straight hard games to be played by our team in five successive weeks.

Ray Byrd led the Trojans to a 27-13 victory over the Purple Pounders of Chattanooga. Jim Aycock, Henry Heinz, Bill Blackstock, and Ray Byrd each scored a touchdown.

Rule High's Golden Bears proved a tough nut to crack and fought the Trojans on even terms for most of the game. The game left the team in bad physical condition for their next game.

The Kingsport Indians took the measure of Troy to the tune of 40-7. Ray Byrd led the team to its only tally. In the second quarter he led the team on an eighty yard drive. From then on it was an Indian scalping party.

Young High's Yellow Jackets defeated the boys in a jam-packed stadium. It was a hard-fought game from whistle to whistle. Final score 7-13.

In an afternoon game the Stair Tech Tigers were beaten in a rough and tumble game from start to finish with the Trojans winning 13-6.

Morristown fell before the Blue Wave 40-0 in the City-County premire.

In the annual Knox-Central game at Shields-Watkins the Trojans held all the marbles and won 20-0. Tom McAffry led the scoring with 8 points. Ray Byrd and Bill Blackstock tallied once each. It was ample revenge for last year's 0-7 loss.

Action at the Game

GENE SIMPSON

Probably the best forward in the city this year, Captain Simp is only a junior and will be back next year. He was good for at least 13 or 14 points in any game. A master of the rebound, Gene is one of the major cogs in Coach Bible's fast break. Simpson is a good passer, a superb shot, and has an excellent floor game. He is doubtlessly the most valuable member of the team.

BOB RULE

Bob came through in fine style this year. He was promising in games last season and didn't let our hopes down this season. "Bouncin Bob" carried a major load in this year's scoring column. He is a good reason for our successful fast break.

DICK CREECH

Dickie came out to make the team this year and wouldn't settle for anything short of a starting slot. He was the most improved member of the squad and holds down the center position in fine style. He will be back next year cavorting for Bible's Roundballers.

FRANK McAFFRY

"Give Frank half a chance and he'll hit from any where" can be truthfully said of McAffry. He is a master of the set shot and death on crips. He is another member of the team who will be back next season and even greater things will be expected of him then.

SAM HILL

Sam is one of these boys who lives on basketball. To him football and baseball merely kill time between the winter season. He is not the highest scoring member of the team but his defensive play and floor game make him well worth his shoes and jocks. He is a good passer and sets up our fast break. He was elected Alt. Capt. of the team.

KHS Alma Mater

Where the Tennessee is winding,
And the Smoky Mounts look down,
Proudly stands our Knoxville High School
Bearing nation-wide renown.
May our love for her ne'er falter,
May we ne'er have hopes less bright
For what to us is dearest—
The good old Blue and White.

Where scholarship is highest,
Where athletes meet the test,
Firmly stands our Knoxville High School,
Ranking first among the best.
While hearts are filled with courage
While arms defend the right,
We'll never stand less staunchly
For the good old Blue and White.

Pep Song

For when those Knoxville Fellows fall in line,
We're gonna win this game another time.
We're gonna yell and yell and yell and yell.
For Knoxville High we'll yell and yell and yell and yell.
And then we'll fight, fight, fight, for every yard,
We'll send our backs against that line right hard—
And then we'll roll old county on the sod—on the sod—
